

Black rail for led spot 1 meter **25.00 €Ex VAT** 3-circuit track system

FEATURES

Brand	Spots
Base	
Fitting	
Color	Noir
Ref	rai-noi-pou-2799
ID	2799
Delivery schedule	1-5 working days
Category	3-circuit track system
Type	Store lighting

DETAIL

Mannequins Shopping supports professionals in the implementation of efficient, economical lighting and in compliance with standards
3 ignitions means 3 separate ignition circuits (you use 1-2 or 3), the power supply is 220 V!

This is the physical and electrical support that allows you to install the projectors, and then move them at will to direct the light where you want

This is the most flexible way to arrange the lighting of your store!

DESCRIPTION

3-stage electric track for iodide or LED floodlights for shop lighting

You are looking for a flexible solution that allows you to adapt your lighting to the configuration and layout of your sales area or you simply do not have a false ceiling.

You want to be able to add or remove lighting points independently our three-phase rails are for you.

Great flexibility of installation
